

Become a "Friend of WTC"

You are invited to join the "Friends of WTC," a collection of concerned community members like yourself—parents and family members of WTC participants, WTC staff, and others who have an interest in promoting our organization and its programs. Work Training Center has a long history (over 50 years!) in our community. It is important that we preserve this legacy and honor those who made these programs possible.

What Do "Friends of WTC" Do?

- They help preserve the history of WTC and share it with community members, new participants and their families, and WTC staff.
- They assist with promotional and fundraising events that benefit WTC.
- They help spread the word about legislative actions that assist WTC services.
- They enjoy get-togethers to share their experiences through social events such as dinners and luncheons.
